## **Traffic temporarily detoured next week on ND Hwy 8 north of Halliday during slide repair work**

Road construction work will begin Wednesday, June 25, on ND Hwy 8 nine miles north of Halliday. Traffic will be temporarily detoured onto a temporary bypass in early July while crews do slide repair work in the area.

### **During Construction**

- Speeds will be reduced to 25 mph
- A width restriction of 12 feet will be in place
- Flaggers will be present
- Oil may be present on the roadway
- Minimal delays are expected

Motorists are advised to watch for trucks exiting and entering this roadway. Beginning in July a signal will be installed for traffic control. Work is expected to be completed in October.
